Suppliers must comply with routing instructions as specified on the PDI Routing Guide above or other purchase agreement where PDI is responsible for freight charges. Non-compliance with the routing guide may result in increased costs and liability to PDI. PDI will hold vendors financially responsible for errors and omissions associated with non-compliance to these routing instructions. Please review these instructions with those in your organization who are responsible for shipping PDI freight. These instructions are applicable also to your satellite facilities, as well as third-party suppliers to the PDI consignee or satellite facilities.
