Subject: RE: Fuji Quote

Hi Turner,

The Fuji FRN0047C2S-2U is \$543.72 + freight. The issue is they (Fuji) no longer give ETA's. I love this post Covid world! It's crazy!

My supplier does have a Fuji FRN015G1S-2U which is a drive with the same specs, but it's the higher end model. This one would be 1-2 day delivery, since our supplier has them on the shelf. Price is \$982.26 + freight.

Thank you! 😊
