**THANK YOU FOR YOUR BUSINESS!**

**TOTAL \$ 7,333.70**

**NCS and LF Bio will both provide two service technicians to be on-site (Total of four). NCS will be on-site for 3 days to provide help with the following tasks.**

- 1. Pull all props on mixers and clean embedded sand. Lip seals will be replaced as needed.**
- 2. Inspection of mechanical seals and see the urgency of PM.**
- 3. Change oil in mixers when inspecting.**
- 4. Replace mixers that are failed with units that are brought by NCS**

**The scope of work may not be completed in the time frame. Additional time can be quoted and billed separately.**
