Dear Kerrie,

It recently came to my attention that your husband has experienced some serious health issues. Having gone through a traumatic brain injury with my son, I know how trying these times can be, both emotionally and financially. We have extended a 35% discount off parts and labor for the recent repairs to your manure separator. Please let me know if we can be of any further service.

Kindest regards,  
Lantz W. Sourbier

V.P.
