Each Purchase Order between the Parties fully incorporates these General Terms. In the event of a direct conflict or ambiguity between these General Terms and a Purchase Order, the terms of the Purchase Order will prevail.

2.2 **Change Order.** Any changes to the terms of the Purchase Order must be agreed in a change order signed by both parties.

2.3 **Materials Warranty.** Vendor warrants that any Materials provided under a PO will remain free of defects and covered by the manufacturer's warranty. If any defect in the Materials arises within this warranty period Vendor shall, within thirty (30) days of receiving notice of such defect from Purchaser, correct or replace the defect. 8. GENERAL

8.1 Independent Contractor. It is understood and acknowledged that the Services which Vendor will provide to Purchaser hereunder shall be in the capacity of an independent contractor and not as an employee or agent of Purchaser. Vendor shall control the conditions, time, details, and means by which Vendor performs the Services. Purchaser shall have the right to inspect the work of Vendor as it progresses solely for the purpose of determining whether the work is completed according to the applicable Purchaser Order. Vendor has no authority to commit, act for or on behalf of Purchaser, or to bind Purchaser to any obligation or liability. Vendor shall not be eligible for and shall not receive any employee benefits from Purchaser and shall be solely responsible for the payment of all taxes, FICA, federal and state unemployment insurance contributions, state disability premiums, and all similar taxes and fees relating to the fees earned by Vendor hereunder.

8.2 Insurance. During the Term, Vendor shall maintain in force adequate workers' compensation, commercial general liability, errors and omissions, and other forms of insurance with policy limits sufficient to protect and indemnify Purchaser from any losses resulting from Vendor's acts or omissions.

8.6 Compliance with Policies. In the event Vendor provides Services to Purchaser, Vendor shall comply with all Purchaser policies as may be communicated to Vendor from time to time.

8.7 Notice. Any notice or other communication to be given by either Purchaser or Vendor will be prepared in writing and delivered personally, by facsimile, by prepaid registered mail, delivery by an international courier, or by email, though emailed notice will only be deemed received when acknowledged by a reply email. The Parties agree to provide each other with their current postal and email addresses and facsimile numbers at all times.

8.8 Entire Agreement. This Agreement contains the entire Agreement of the Parties and supersedes any prior written or oral agreements and understandings between the Parties related to the Services and/or the Materials in respect of the scope of this Agreement and/or the Purchase Order. Unless subject to a separate agreement signed by both parties, the terms and conditions set forth in these General Terms will apply to all Purchase Orders issued from Purchaser to Vendor. No other terms and conditions are binding unless expressly accepted by Purchaser in a document signed by an authorized signatory of Purchaser.

8.9 Amendments. No amendment to, or modification of this Agreement is effective unless it is in writing and signed by each Party.

Upon the occurrence of any one or more of these events of force majeure, the affected Party shall notify the other Party and use its reasonable efforts to remedy or correct the delay or failure to perform as soon as possible. In no circumstances shall the Party prevented or delayed from performing any part of its obligations be liable to the other Party for any damages caused by the event of force majeure.

8.12 Waiver. The failure of either Party to enforce or insist upon compliance with any of the terms and conditions of this Agreement, or to exercise any rights under same shall not constitute a waiver or relinquishment of any such terms, conditions or rights. The mere passage of time or the giving of notices or the execution of revisions, modifications or extensions to this Agreement shall not affect other terms, conditions or rights in and under this Agreement unless expressly stated.

8.13 Counterparts. This Agreement and any Purchase Order may be signed and delivered by electronic means and in any number of counterparts, each of which shall be deemed to be completed originals.

8.14 Partial Invalidity. If any provision of this Agreement is held to be invalid, illegal, or unenforceable, such provision shall be ineffective to the extent, but only to the extent, of such invalidity, illegality, or unenforceability without invalidating the remainder of such invalid, illegal, or unenforceable provision or other provisions hereof.

8.15 Time is of the Essence. Time is of the essence in the performance of all of Vendor's undertakings arising out of this Purchase Order. Vendor will immediately notify Purchaser, in writing, of any actual or potential circumstance which may delay or impair Vendor's ability to perform in accordance with required delivery or other performance dates.

8.19 Cancellation. Purchaser reserves the right to cancel this Purchase Order, or any part thereof, for Purchaser's convenience at any time prior to shipment by Vendor, by

giving written notice to Vendor. Cancellation or termination of this Purchase Order for convenience shall not relieve Purchaser of its obligation to pay Vendor for work which has been performed in connection with this Purchase Order.

8.20 Inspection. All deliveries are subject to Purchaser's right of inspection and rejection.
