REVISION
2

Effective Since
02/16/2023

Revision Date
03/02/2023

Today's Date: 7-25-25, Requested By: Doug N, Department: Maint

Project Description: Manure Separation Optimization

Reason for Request: Go over basic Manure System

Estimated Material Cost: _____

Estimated Labor Cost: _____

Estimated Total Project Cost: \$6,200

Estimated Savings/Payback: _____

Jarvis Way
Department Manager (Under \$5,000)

Robert Kelly
General Manager (\$5,000 to \$20,000)

Member/Owner (Over \$20,000)

Nicholas Meats: Manure Separation Optimization Service Quote

July 1, 2025

THIS DOCUMENT CONTAINS PROPRIETARY INFORMATION AND IS CONFIDENTIAL
 Nutrient Control Systems, Inc. is pleased to present the following proposal:

Quantity	Vibratory Screen, Vincent Press, Controls Optimization		
2	NCS SENIOR TECHNICIAN	\$1,200.00	\$2,400.00
2	NCS SENIOR CONTROLS TECHNICIAN	\$1,500.00	\$3,000.00
4	DAILY EXPENSES (FOOD, TRAVEL, HOTEL)	\$200.00	\$800.00
Project Total			\$6,200.00

NOTE: BOTH TECHS WILL BE ONSITE FOR 2 DAYS AND WILL INSPECT EQUIPMENT AND MAKE RECOMMENDATIONS ON ANY PARTS OR SERVICE THAT NEEDS ADDRESSED ON EQUIPMENT. THE CONTROLS TECH WILL WORK WITH PROGRAMMERS FROM NICHOLAS MEATS TO UPGRADE THE CONTROLS TO OPTIMIZE THE SYSTEM.

NCS WILL REQUIRE THE MODEL NUMBER FOR THE PRESS AND VIBRATORY SCREEN AND OPERATION MANUALS PRIOR TO BEING ON SITE. ALSO, WE WILL NEED CONFIRMATION THAT NICHOLAS MEATS WILL HAVE AN INHOUSE PROGRAMMER AVAILABL TO MAKE RECOMMENDED CHANGES TO THE PROGRAM.

NCS CONTRACTED DUTIES

- Project drawings if requested are billed separately.
- Labor outside of specified tasks will be billed as follows:
- NCS Labor Rates
 - NCS Millwright (\$1800/day plus expenses)
 - NCS Senior Technician (\$1,200/day plus expenses)
 - NCS Junior Technician (\$850/day plus expenses)
 - NCS Centrifuge/Polymer Dosing Technician (\$2,000/day plus expenses)
 - Senior Controls Technician (\$1,500/day plus expenses)

Customer

- Provide all installation, construction services, and materials (excavation, concrete, building structure, plumbing and tanks).
- Provide all electrical/plumbing materials and labor.
- Assume responsibility for all underground lines.
- NCS will work with customer electricians on specifications.
- Provide equipment (Telehandler/scissor lift) to off load and position all equipment.
- Install plumbing to final connections on equipment.
- Install disconnect switches for all motors.
- Provide a reliable Wi-Fi signal or internet connection.
- Provide handling of resultant flow liquids and solids

Terms

1. NCS will require a Purchase Order be issued for the work.
2. Invoice will be issued following completion of work.

NOTES TO
Nicholas Meats: Manure Separation Optimization Service Quote
July 1, 2025

1. Any necessary permitting is the responsibility of others.
2. Professional engineering stamps are not included in the pricing.
3. Standard pricing does not include prevailing wage, Davis Bacon , or ITC Administration.
4. Additional equipment, parts, installation materials, and services may be required that are not detailed in this equipment proposal. The customer is responsible for the cost of these additional items.
5. With Thickeners and Separators, the separation rate decreases as the percent solids in the influent increases. Separation efficiency is also related to general waste stream quality. In some cases, additional treatment steps such as bio-augmentation, aeration, chemical treatment and/or multi-stage lagoon systems must occur in order to provide sufficient influent quality.
6. The slurry furnished to all separators and thickeners must be a consistent, homogenous mix.
7. Customer assumes full responsibility in regards to mastitis, somatic cell counts, etc. and agrees to not claim any damages from NCS in regard to those issues.
8. The customer is responsible for damage due to freezing.
9. Customer assumes responsibility for the bedding material and its ability to pass through pumps and the separation equipment. Certain bedding materials can impair pump and separator performance and may also impact the potential dry matter of the separated solid product.
10. Above pricing is good for 30 days from date of quotation.
11. Project drawings if requested are billed separately.
12. Warranties on equipment are (12) months on startup or (14) months from date of shipment. Wearing parts such as pump impellers, separator screens, separator screws, and rotary assemblies are warranted only for manufacturing defects.
13. Warranty on Non-Wear parts only. No Labor, Travel, or Shipping expenses will be warranted.

NCS Standard Terms and Conditions of Sale

Notwithstanding anything to the contrary contained in any request for proposal, or other document submitted to and approved by Nutrient Control Systems, Inc. (hereinafter "Company"), the following shall apply to all sales by the Company:

1. The term "Contract" shall refer to the proposal and/or Purchase Order executed by the Company and the Customer.
2. All labor performed by Company will be performed in a professional, workmanlike manner during regular Company working hours, unless otherwise specifically provided for herein.
3. All materials to be used by Company on this project will be of industry standard construction grade. No assumptions should be made on any other quality standards unless specifically noted herein.
4. Changes to the scope of work of the Contract after execution of the Contract shall be made only by a Change Order. Change Orders incorporate the following elements:
 - a. Change Orders are based upon the agreement of the Parties with respect to changes to the scope of work, the Contract Sum, and the project time.
 - b. Change orders must be in writing and signed by Customer and an Officer of the Company to be valid.
 - c. Change orders must specify an adjustment to both the contract price and the net effect on the project time.
 - d. No requested work outside of the original contract scope will be performed without a properly executed Change Order unless Company must act in an emergency to prevent injury or property damage.
5. Invoices for work performed in the Contract shall be made in accordance with the schedule set for the below under the heading "TERMS." For stock items, payment must be made, in full, within 15 days of date of invoice. If a payment request is in dispute, a letter must be submitted to Company within 5 days of receipt of request for payment, stating the dispute in detail, along with a proposed resolution. Non Stock orders will require a 50% down payment and final payment prior to shipping.
6. Failure to make payments in accordance with these Terms and Conditions may result in a suspension of all work by Company, and/or termination of the Contract. The decision to suspend work or terminate the Contract shall rest within the sole discretion of the Company. Notwithstanding the foregoing, Company shall not terminate the Contract until after a seven (7) day written notice is provide to Customer, and Customer has failed to cure within that time period.
7. If this contract is cancelled, Company will charge a cancellation fee equal to all costs incurred to the date of cancellation. Any equipment ordered for the project will be subject to a 20% restocking fee. Additional cancellation charges may result due to NCS incurred costs due to subsequent NCS subcontractor contract cancellation.
8. Any returned equipment is subject to a 20% restocking fee.
9. Company warrants and/or guarantees the project to the following limitations:
 - a. Materials: To the extent and conditions of the manufacturer's warranty of the material.
 - b. Labor: Not warranted
 - c. Warranty shall not apply if final payment is not received in accordance with the terms of the contract.
 - d. No other warranties or guarantees (implied or otherwise) shall apply unless in writing and signed by an Officer of Company.
 - e. Any parts warranties are for non-wear parts only.
10. The Parties hereto agree that jurisdiction for any dispute arising under this contract, including but not limited to the breach or termination thereof, shall exclusively lie in Franklin County, Pennsylvania. The parties consent to the exclusive jurisdiction of the Court(s) located therein for purposes of this provision.
